TERMS & CONDITIONS

To reserve a table for your Christmas party please call [020-7387-7923](tel:020-7387-7923) or email us at info@graftonarms.co.uk.

Everyone must pay a £10 per person deposit this year upon booking any festive menu (irrespective of your party size). But don't worry, all your deposits are fully redeemable against your final bill.

We've got some self-serve drinks packages too, these will be bought over to you as soon as you arrive so no waiting for that all important first drink. Full payment for these on the day when settling your outstanding balance of your Christmas party booking. Please note these are non-refundable. Budget goes a lot further if you start spending it earlier. Cheers!

Pre-orders are really important during our busiest time of year, Christmas takes so much planning so please get your group's pre-orders in on time, no later than 1 week before your booking date. If you are dining from the Christmas traditional menu you'll be sent all the info on how to make your pre-order once you've booked. Please note that our Christmas Traditional menu is only available for parties of 2 or more.

And don't forget the allergens & dietary needs, if we know all this in advance then smooth sailing. All our food is prepared in a kitchen where nuts, cereals containing gluten and other allergens are present and our menu descriptions do not include all ingredients. If you have a food allergy or intolerance, please let us know before ordering. Full allergen information for food and drink is available, upon request. The information available is, to the best of our knowledge correct, however, this is subject to possible change between the time of advance booking and the time of dining. Please ask to see the allergen guide(s) at the time of your visit to check if there have been any changes that may affect you.

We have carefully thought out seating plans (with social distancing) and staggered arrival times so we do ask you keep to your chosen time please. If you are more than 15 minutes late we may need to ask you to skip a course as we cannot allow tables to overrun, especially now we have such reduced capacities! We understand though that arrival times aren't always in your control so please give the pub a call if you're going to be late, or we'll start to worry about you.

An optional service charge of 12.5% is added to all parties dining at The Grafton Arms. 100% of this optional charge is shared fairly amongst the team.

REFUNDS & CANCELLATIONS

We hope no one gets poorly in your party! And we used to always say refunds were not refundable, but the world has changed, and we want to protect you and our team.

So, if any of your party (or your whole group) needs to cancel or amend the booking due to Covid-19 symptoms, as long as you give us one week's notice we will always process a 100% refund for you. Please be patient as refunds may take up to 14 days. Ideally rather than cancelling, if you can book another date for a few weeks' time, that would be a massive help to our team, but we understand completely if that's not possible. Health comes first!

If we have to shut the venue (worst thing ever) then we will give you as much notice as possible and if we can't guarantee a new opening date, and you are not happy to re-book in the future, of course we will give you a full refund of your deposit and any additional pre-orders/packages. You are covered!

So basically, as long as you give us one week's notice, so we have a chance to re-book your table (with social distancing this is so important for our industry now) then you get 100% refund. Whether that is for the whole party or a just a drop in numbers. On the positive, if you actually increase numbers, and we can accommodate, please ensure you pay the extra deposit when booking the additional guest(s) and if it's a late change we will need the pre-order for the additional guest(s) immediately too please.

This year has been a year like no other and so it will come as no surprise to you that all our bookings are subject to government guidelines. If government advice changes and we need to make any updates to our guidance and booking policies, we will do so on our website. So please check back to ensure that you have the up to date detail - we want to keep you and our teams safe not only for Christmas but always.

We are here to answer any of your questions or concerns so please dial the pub or our bookings team if you need any more info or clarity.

FOOD ALLERGIES & INTOLERANCES

Please let us know about your group's allergies & dietary needs ahead of time so that we can prepare for them.

All our food is prepared in a kitchen where nuts, cereals containing gluten and other allergens are present and our menu descriptions do not include all ingredients. If you have a food allergy or intolerance, please let us know before ordering. Full allergen information for food and drink is available upon request.
